CO-CHAIRS : LAURIE SEHN, DIEGO VILLA, JOHN KURUVILLA
SENIOR INVESTIGATORS : ANNETTE HAY, LOIS SHEPHERD

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- To identify and address, through clinical trial and translational research, the disease burden associated with lymphoma in Canada
- To identify clinical trial research opportunities within the Canadian Cancer Trials Group
- To integrate current knowledge regarding therapeutics, translational and tumour biology in trial concept development and conduct
- To integrate and apply new clinical trial methodologies in the Canadian Cancer Trials Group research agenda
- To provide a learning and mentoring environment supportive to new and established lymphoma investigators
