

MYELOMA WORKING GROUP

CHELSEA HOTEL, TORONTO, ON
ROOM: WREN

MAY 4, 2024 8:00 AM – 10:00 AM

CO-CHAIRS : ANTHONY REIMAN, CHRISTOPHER VENNER
SENIOR INVESTIGATORS: ANNETTE HAY, LOIS SHEPHERD

CME Credits:

Credits for Specialists: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and approved by Queen's University.

Learning Objectives:

- To identify and address, through clinical trial and translational research, the disease burden associated with myeloma in Canada
- To identify clinical trial research opportunities in myeloma within the Canadian Cancer Trials Group
- To integrate current knowledge regarding therapeutics and tumour biology in myeloma in trial concept development and conduct
- To integrate and apply new clinical trial methodologies in myeloma in the Canadian Cancer Trials Group research agenda
- To identify mentoring opportunities for new investigators.
